Прочитати текст.

This is my cat, Snow. He is a small white cat with a bushy tail. Every day I take him for a walk to the park. He walks everywhere. He plays with his ball on the grass. He is happy.

When we come home, he eats fish and drinks milk and then he lies on the carpet. And now he is sleeping on a carpet near my bed.

A year ago I took him for a walk and he ran away and I lost him. I couldn't find him anywhere.

I went home and told my parents. They looked for him in the park and they didn't find him. Then they went to the police station.

A few days later, a policeman came to our house and brought the cat to our house.

Snow was with us. I was so happy to see him again!
