Entertainments (Розваги).

There is a plenty of entertainments in the world and people can choose them according to their tastes, mood or maybe opportunities. Entertainments include films, TV. books, concerts, cinemas, theatres, discos, travelling and different

parties. Some families prefer to take their children to museums, art galleries or parks at the weekend. It's a nice way of spending free time together for the whole family. It is quite normal for British families to visit theme parks in summer. Such parks include a range of rides in various ways, some of them can bathe you in the water. The really adventurous rides turn you upside down at great speed. It's very exciting for all visitors. And this must be how the British enjoy themselves most because last year the nine most famous theme parks attracted more than twenty million visitors.
